### X300 GT FEATURES

## X300 BADGE WITH THE ICONIC LAMBRETTA

Embrace the emblem that has defined generations, and let the iconic Lambretta front badge be your guide to a world of distinction. With Lambretta, your ride is not only a passage through the streets but a journey through a legacy.

## KEEP OUR SIGNATURE, BUT MORE FUTURE.

Our scooters are dedicated to those who seek to stand out, to those who value the blend of classic allure and modern functionality. The Lambretta grill is your key to a world where tradition and individuality ride hand in hand, offering an escape from the mundane, into a realm of elegance and freedom.

### DOUBLE ARM-LINK WITH BOSCH ABS BRAKING SYSTEM

Lambretta's X300 redefines the fusion of timeless style and innovative engineering with its state-of-the-art Bosch Dual Channel ABS braking system and the revolutionary double arm-link suspension. The X300 isn't just about capturing the essence of classic design; it's about elevating it with modern functionality to meet the demands of today's discerning rider.

# TAIL LIGHT, A BEACON OF ITALIAN FASHION

Crafted with the precision and passion characteristic of Italian design, the Lambretta X tail light is a masterpiece of aesthetic and functional innovation. Its unique shape and the warm glow it casts are not just seen but felt, embodying the spirit of adventure that lies at the heart of every Lambretta journey. This distinctive design ensures that, even from a distance, the path of a Lambretta rider is unmistakable, leaving an impression that is as lasting as it is bright with 7 vertical bars of LEDs
